### **Directions to Gateway Natural Medicine & Diagnostic Center**

#### **From I-25:**

I-25 to the Berthoud exit (Hwy 56), which is located north of Longmont and south of Loveland. West on Hwy 56 to Berthoud, passing through town to CR17 Taft (there is a traffic light). North (turn right) onto CR17 (Taft). We are the first building on the northwest side of the intersection. Turn left at the first entrance, parking at the front of the building. We are the 2-story brown building just south of Adams Bank, located on the first floor just to your right after entering the building.

#### **From Loveland:**

##### **Option 1:**

Hwy 287 south to Berthoud – do not take the Berthoud exit but follow Hwy 287 as it curves to the West to the intersection at CR17/Taft (there is a traffic light).

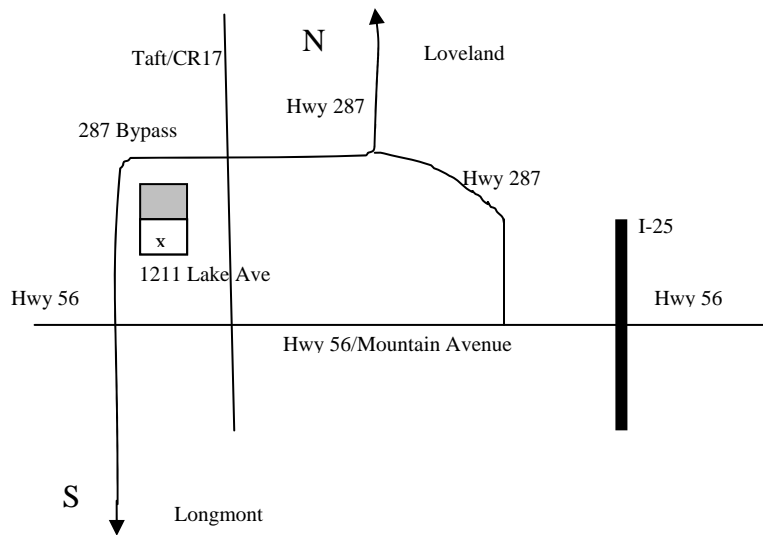

Turn left/South at the light intersecting CR17/Taft and Hwy 287. Continue south on CR17/Taft.

Before reaching the light at the intersection of Taft/CR17 and Hwy 56, turn right at the second entrance just past the last 2-story brown building. Our sign is on the East face of the building and we are located on the first floor to the right. Just north of us is Adam's Bank with the green roof.

##### **Option 2:**

Take Taft Avenue south toward Berthoud (Taft is marked CR17 in Berthoud).

Before reaching the light at the intersection of Taft/CR17 and Hwy 56, turn right at the second entrance just past the last 2-story brown building. Our sign is on the East face of the building and we are located on the first floor to the right. Just north of us is Adam's Bank with the green roof.
